Get the funds you need to run your business faster.

## Simplifying the path of healthcare financing

Getting paid through government programs and insurance payers can take up to 4 weeks or more from the time you submit a claim until you are paid. Through our automated advance program, you will receive funds the day you submit claims.

### Receive advanced funding on claims

Get paid immediately on claims without changing your workflow.

### Customize which claims you advance

Auto fund claims from all of your payers or just the ones that pay the slowest.

### Benefit from a fully automated process

Once your claim is paid or adjudicated, we auto withdraw our advance.

## Stop depending on payers for your cashflow needs.

# Get paid immediately when submitting claims!

Look for **Via** in the athenahealth marketplace: Billing > Financing

The screenshot shows the 'Via - Instant Claims Advance' app listing on the athenahealth marketplace. The app is categorized under 'Financing' and has a 5.0 star rating from 1 reviewer. The description highlights that it allows users to receive payment on government and insurance claims immediately, up to 50% of the claim amount, through the athenaCollector system. Key features include an automated process, fast payment, and a low monthly fee. The listing also includes a 'Customer Ratings' section with a 5.0 star rating and a 'Reviews' section with one review from an 'athenaNet User' dated March 21, 2018. The user mentions that Aquina is an easy and fast way to get cash flow from services already rendered and waiting for insurance to respond. The footer of the marketplace page includes social media links, quick links, and the athenahealth marketplace logo.
