

## RECENT CASE STUDY

**“Unbelievable how simple VIA is, set it and forget it and next day you see payments. What an impact it has made on our practice”** Angela G, Practice Manager

**Surgery Center** was seeking a product to assist in accelerating reimbursements and self selected VIA.

Provider was auto qualified as part of the Aquina network.

VIA facility doubled three times over the course of 8 months

**Via processed: \$1,006,684 in claims**

Over 1,000 claims expedited, significantly impacting providers cash flow, increased efficiency and helped grow the practice from \$20K per month to nearly \$1M in annual business.
