Converting the healthcare experience **together**

AdvancedMD + AQUINA

Get paid **immediately** when submitting claims

Optimize financial performance and maximize **efficiency** by accelerating claims payments from weeks to instantaneous with payer selection controls and on-demand payment options.

Receive advanced funding on claims

Get paid immediately on claims without changing your workflow.

Customize which claims you advance

Auto fund all your claims or just the ones that pay the slowest.

Benefit from a fully automated process

Once your claim is paid or adjudicated, we withdraw our advance.

With the integrated Via solution, doctors will see cash on their balance sheets **immediately!**

“Via is an **easy and fast way to get cash flow** from services you have already rendered and are waiting for insurance to respond on. They have done an excellent job of making it something that you hardly have to think about... If you are in a position where you need a quicker turnaround on claim payments, **I would highly recommend** checking out the folks at Aquina.”
